

Hell Or High Water

Y&T

Between a rock and a hard place
You put the pressure on me
Something's gonna break
Long legs, sleazy woman
Starch shirt, corporate head
Yes, you steal my heart
You steal my money
And you leave me in the red

Come
Hell or high water
I said
Hell or high water

I'm not your boy
And I'm not your toy
You better start seeing me as a man
I didn't ask you to run my life
I just asked you for a hand
You know I love harmony
But I hate to be much homogenized
And I believe that one word of truth
Says more than a thousands lies

Come
Hell or high water
I say
Hell or high water

Come
Hell or high water
I said
Hell or high water
I said
Hell or high water
Come
Hell or high water
I said
Hell or high water
I said
Hell or high water
I said
Hell or high water
You know
Hell or high water
