

# Hungry For Rock

Y&T

Monday morning is coming all too fast  
Weekend's gone, oh how I made it to last  
Oh, I wish it would last  
Punchin in, I feel like punchin 'em out  
It makes me scream, it makes me wanna get up and shout  
Ah, they push and shove me all day

Well, I'm hungry for rock  
Ready to roll  
Yes, I'm hungry for rock  
I'm gonna roll all over you

Coming home starts to me again  
A battlezone, a war I just can't win  
Oh, seems like I never win  
You turn me off, so I turn it up  
It sounds so good baby, just can't get enough  
Oh, can almost taste it

Well, I'm hungry for rock  
Ready to roll  
Yes, I'm hungry for rock  
I'm gonna roll all over you

Well, I'm hungry for rock  
Ready to roll  
Yes, I'm hungry for rock  
Ah... do it!

Hungry for rock  
Ready to roll  
Hungry for rock  
Yes, I'm ready to roll  
Hungry for rock  
Ah, so hungry baby  
Oh, somebody feed me some rock  
Hungry for rock  
You know, everybody needs some good hard rock  
Hungry for rock  
Even needs some good hard bone rock  
Hungry for rock  
Feed me that, feed me that rock
