

## I'm Lost

Y&T

You got me spinnin'  
Round an round  
I can't see the sky from here  
Everything I feel  
Drives me down  
Too far  
Too far, and now I fear

I'm lost, I'm lost, I'm lost

All your words burn  
Through my mind  
It seems so hard to break away  
Alone I run  
Afraid I find  
All walls around, nowhere to stay

I'm lost, I'm lost, I'm lost

You got me spinnin'  
Round an round  
I can't see the sky from here  
Everything I feel  
Drives me down  
Too far  
Too far, and now I fear

I'm lost, I'm lost, I'm lost
