

## Nasty Sadie

Y&T

I'm gonna tell you 'bout a girl I know  
They call her Nasty Sadie, she's at all the shows  
She comes 'round pretty all dressed up and sweet  
She's not the kind of girl you'd have your mama meet

Nasty Sadie  
You're a real fine lady  
How you drive me crazy  
Take me home, Nasty Sadie

She feels so good with perfume so sweet  
And looks even sweeter from her head to her feet  
She'll come up, flirt, and get you all alone  
And start doin' things that you never known

Nasty Sadie  
You're a real fine lady  
How you drive me crazy  
Take me home, Nasty Sadie

After the show driving in my car  
Goin' over Sadie's to get a bit bazaar  
We'll have a shady time that you can bet  
One of those nights, baby, I will never forget

Nasty Sadie  
You're a real fine lady  
How you drive me crazy  
Take me home, Nasty Sadie  
You're a real fine lady  
How you drive me crazy  
Nasty Sadie
