

Shake It Loose

Y&T

Aoh...

Alright

Shake it, shake it, shake it, shake it, shake it yeah

Well, I'm all fired up and I'm getting really ready to burn

If you think I'm staying home, you gotta gotta lot to learn

Everybody's jammin' tonight, gonna smoke this town

Can't take it? Don't want you hangin' around

Oh, well I'm ready right now

Shake it loose, shake it loose

All around yes... we're havin' a ball tonight

Shake it loose

Ridin high...

Havin' so much fun, must be against the law

'Cause the music's so loud, it's when it cracks the wall

Ain't leavin' 'till I'm leaving, and I ain't even started yet

Get wild and insane as you can get

Oh, well I'm ready right now

Shake it loose, shake it loose

All around yes... we're havin' a ball tonight

Shake it loose

Ridin' high...

Let's burn one now...

Shake it loose, shake it loose

All around yes... we're havin' a ball tonight

Shake it loose

Ridin high...

Oh, let's shake it

Shake it, shake it, shake it yeah

Shake it, shake it, shake it yeah

Shake it, shake it, shake it yeah

Shake, shake, shake

Shake, shake, shake, shake

Shake, shake, shake, shake
