

## Squeeze

Y&T

She's a crazy lady  
She don't put up a fight  
She keeps me a rolling and a tumbling  
And she squeezes me tight  
She knows every little trick in the dir-dirty book  
I don't ever want to leave her  
'Cause I love to please her

Ah she feels so good  
Squeeze

She's an easy woman but she gets me hard  
But this honey pie goes too far  
She keeps on a humpin' and a pumpin' till I lose control  
'Cause my little babies got so much soul

Ah it feels so good  
Squeeze me  
Ah!

She's a crazy lady  
She don't put up a fight  
She keeps me a rolling and a tumbling  
And she squeezes me tight  
She knows every little trick in the dir-dirty book  
I don't ever want to leave her  
'Cause I love to please her

Ah you feel so good  
Squeeze me  
Ah!
