

# The Kid Goes Crazy

Y&T

Two blondes in a T-bird  
Down on Sunset Boulevard  
Oh Hollywood you're looking good!

Lights, camera, action  
Yeah, I'm gonna be a star  
Just like I knew I always would

My hair is long  
I got my red Reeboks on  
Oh yeah I'm looking pretty cool

The kid goes crazy  
The kid goes crazy  
The kid goes crazy  
The kid goes wild - in Hollywood  
The kid goes crazy  
The kid goes crazy  
Every time you hear that music  
Look out man; I'm talkin' 'bout the kid

Limousines and magazines  
And fast-back fancy cars  
Oh Johnny Carson, here I come!

Red, black, brunette, blonde  
Got two girls on each arm  
Oh, I'm the talk of the town

I got a mansion  
But there's only twenty rooms  
I think I need twenty-two - don't you?

The kid goes crazy  
The kid goes crazy  
The kid goes crazy  
The kid goes wild - in Hollywood  
The kid goes crazy  
The kid goes crazy  
Every time you hear that music  
Look out man; I'm talkin' 'bout the kid

Sittin' in the movies  
How I love the silver screen  
'Specially when the star is me

Photographs and autographs  
They all want a piece of me  
In Hollywood  
I'm the King
