It's still lingering in my ears
Imagine your voice
Never felt this before
Emotions are floating around

Flying up to the sky
Feels like walking on clouds
I don't know where to go
I'm just wandering around
Sounds like calling me
Voice of yours
Keep spreading from far away

Sweet trembling
A symphony for me
All day long
Whisper to me
I wish time would (Stop now)
Before I knew it (Humming along)

A melody lingering in my ears (Can't stop, won't stop)
Our own rhapsody (Fallin' in love)
Sol la, sol la, sol mi (Don't stop, I won't stop)
I hear it all day long
I don't know how to stop, ooh, ooh

Walking with you like this
Take away all the worries
Didn't know until now
Lyrics sounds new

Footstep together with you
An unstoppable rhythm
Feels like my heart is going to burst
Would you be my a tempo?
Sounds like calling me
Voice of yours
Keep spreading from far away

Sweet trembling
A symphony for me
All day long
Whisper to me
I wish time would (Stop now)
Before I knew it (Humming along)

Singing my blues
You, who brightly smiles
Whatever you do
Everything about you
I want to turn into a song

The first feeling of trembling

A sweet harmony (Ooh, ah-ah-ah)
All day long to you
I will whisper (I will whisper)
I wish time would (Stop now)
Before I knew it (Humming along)

A melody lingering in my ears (Can't stop, won't stop)
Our own rhapsody (Fallin' in love)
Sol la, sol la, sol mi (Don't stop, I won't stop)
I hear it all day long
I don't know how to stop, ooh, ooh
