Love your ponytail
You so fine, my bae
Breathtaking back
Woah-oh-oh-oh
Make-up on
Or barefaced
Fall in more for barefaced
(I love your ponytail)

Skirt for summer again
Pants for winter
You are still dazzlingly beautiful, yeah
In my eyes
Bang hair for today
Untie ponytail for tomorrow
Answer is the same
So wonderful
Still don't know
Feeling different emotions everyday
Being sulky for same reaction
Making me frustrated more

My eyes are telling
Heading towards you
Never take it for granted
That's right, baby I will express it every day

Woah-oh-oh-oh
Love your ponytail
You so fine, my bae
Breathtaking back
Woah-oh-oh-oh
Make-up on
Or barefaced
Fall in more for barefaced
(I love your ponytail)

Imagine I'm pullin' ya ponytail (Bring it back)
Good girl gone bad, goin' bad (Super bad)
If I pretend I'm not, you said you can't see me
Open your eyes wide and now watch me
I will be better at showing my interest in you
Will show it off and make you laugh out loud
Secret that you wanted to tell me
I'm all ears F their opinion off
You know I'mma G, can't become a fake, know the deal
I'mma pioneer, I ain't goin back, Will of D
I go hard for real, massaging your neck with a D
I know I talk weird but you still will remember it

Gonna blow up your heart
You know I got that sense, I'm fast at noticing things
Leave it all to me I will take care of it
Just look at me that's easy

Woah-oh-oh-oh
Love your ponytail
You so fine, my bae
Breathtaking back

Woah-oh-oh-oh
Make-up on
Or barefaced
Fall in more for barefaced

Can't express (Can't express)
I'm frustrated too (I'm frustrated too)
Yeah, yeah
Pretty again today
A word like this
Is such a cliché
That makes me think harder how to express
Time goes by
Always running out of time
Repeats again
