YUGYEOM

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Ooh-oh, ooh, woah, woah

You ain't never been in love before
And I never had a love like yours
We been getting really close
What we waiting for?
I know you scared of taking risks
I don't never really fall like this
Let me show you how to let it go
Let me show you what a real man is, oh (Oh)

Too many fights, too many times
When you spend your night alone
Too many times when he made you cry
And you end up at my door
Untapped potential and it's too much to ignore
And we got something more (We got something more)

When there's way too much on your mind (Mind)
When something's wrong, I will make it right (Right)
We're burning up inside like a fire
Girl, we got it

This love is, it's so incredible (Oh)
It's so unbreakable (Oh), unconditional
This love is such a level up
It's incomparable, unconditional
This love is unconditional

Ooh, ooh, ooh, ooh
(Ooh, ooh, ooh, ooh)
This love is unconditional
Ooh-oh, ooh, woah, woah
Unconditional

Taking care of everything for you, first thing on my mind
Doing the impossible for you, girl, I'll always try
If you running low on love, you can have all of mine
Hit up my phone, I'll be your lifeline

When there's way too much on your mind (Mind)
When something's wrong, I will make it right (Right)
We're burning up inside like a fire
Girl, we got it

This love is, it's so incredible (Oh-oh-oh)
It's so unbreakable (Oh), unconditional (Ooh, oh)
This love is such a level up
It's incomparable, unconditional
This love is unconditional (Oh)

(Woah, oh-oh) Ooh, ooh, ooh, ooh
(Ooh, ooh, ooh, ooh) This love is, yeah
This love is unconditional
(This love, this love, this love, this love, yeah)

Ooh-oh, ooh, woah, woah
