Thugged out to the overdoses
You niggas got to sell 'em some shit
You probably thought you could leave quick
It ain't happenin' bitch
It's hard to get mob on mine
Outlawz my spine, it ain't hard to find
But get ya and lay low
And get ya piece by the dough
I keep my shit on cock 'cause Makaveli said so
I keep my shit on cock 'cause Makaveli said so
If you got to get your money on
From night 'til morn
You better then do yo thug thang
If you buy chronic by the zone
Then get yo' smoke on
Then do yo thug thang
If you resign the streets
Because you love to bang
Then do yo thug thang
If you don't give a fuck about life
I lost my family twice
So I'ma then do you thug thang
I been what is known as a bandit

(Bandit)
You better hand it over if you wanna see your grandkids
(Grandkids)
I don't give a fuck 'cause Makaveli planned it
(Fuck, 'cause Makaveli planned it)
But when it's said and done in the streets, we can handle it
Do yo thug thang, o really
(Really)
You don't wanna see me silly
(Silly)
With fully loaded nine milli
(Nine milli)
When it get to spitting, you gon' be sitting me

(Fear)
Crystal clear, pistol there
(Crystal clear, pistol there)
In the air

(There)
Then I'm out of here
(Here)

(Cartier)
And your hottie head
(Hottie head)
Between knees
(Knees)

(Knees)
You ain't see no thugs like these
With slugs like these
We rush tightly
All in together now
Making it mo' better now
(Making it mo' better now)
Layin' competitors down
Ahead of you now
Superial style
Grand imperial thug world
I'm rougher for rhyme
I had you wanted for mine
While I'm gunning for mines
(Mines)
Thought it was gone but still on
We coming to town
(You raining, clicking niggas that will see us, man)
You raining, clicking niggas that will see us, man
But if you think, you can't do yo' thug thang, nigga
(Do yo' thug thang, nigga)
Fuck You
Fuck the Outlawz
Fuck the Regime, nigga
If you ain't loving this thug shit
You must be a bitch
Can't compete with the bricks
All the drug dealers rich
Or try to get in
Try to hustle and pear
Walking up and down block all day

'Til the rest of the fiends get here
A bitch named Tarifa
She owned 300 thugs
On a nigga to hold her beaver
From the blow, I fronted
And do yo' thug thang
Rapping [unverified] drugs slang
[Unverified] and have you losing you brain
Abusing the game
So now, you're in danger
Lyrically, I ruin your name
And keep one in the chamber
Nasty new street slugger
Catch you with a box cutter
Used to fight with my brother
And run the spot with my mother
You get after, ask her quick
And shit blast the bitch
Fucking around with this, Outlawz shit
Get your thug on, niggas
Ha, then do yo' thug thing
If you got to get your money on
From night 'til morn
You better then do yo thug thang
If you buy chronic by the zone
Then get yo' smoke on
Then do yo thug thang
If you resign the streets
Because you love to bang
Then do yo thug thang
If you don't give a fuck about life
I lost my family twice
So I'ma then do you thug thang
Niggas used to hit me up
Till they see that fuckin' Régime
Stick me up, up in the sky
Firebreatin' dragon
Niggas bout to die
Niggas feel like Armageddon
When I be headin'
And wait Niggas up at they own wedding
With they own weapons
Counterfessons
Ghetto lesson number one
Never try to go to war without your gun
Niggas get done
Since I quit fuckin' with Num
I did once like Big Pun
Off the books
Have your body in a coffin up
Nigga I'm off the hook
Like a phoneless chuck that burned out
Thugged out and turned out
Set that motherfucking perm out your head
Niggas dead
If you ain't Régime or Outlawz
Kiss the ring
I do my thug thing without y'all
Matter of fact
I gives a fuck about y'all
Put a nigga up in a ho
Just like a ground hole
Thanks of the Hounddog

They finally found y'all
Leavin' {unverified} on your face
And about twelve motherfuckin' bodies
Hangin' around y'all
I do my thug thang
Dopin' in and out of lanes
And I must thank
[Unverified]
Tats on my arm
I better ring the fuckin' alarm
Or be the first that get mashed on
Nigga, do yo thug thang
If you got to get your money on
From night 'til morn
You better then do yo thug thang
If you buy chronic by the zone
Then get yo' smoke on
Then do yo thug thang
If you resign the streets
Because you love to bang
Then do yo thug thang
If you don't give a fuck about life
I lost my family twice
So I'ma then do you thug thang
If you got to get your money on
From night 'til morn
You better then do yo thug thang
If you buy chronic by the zone
Then get yo' smoke on
Then do yo thug thang
If you resign the streets
Because you love to bang
Then do yo thug thang
If you don't give a fuck about life
I lost my family twice
So I'ma then do you thug thang
