

Extraball

YukseK

Now I try to walk and talk
I need the extraball
It's purly physical
I think your time is now
I try to walk and talk
I need the extraball
It's purly physical

Cath that now it's better to check the sound
'Couse I break these boys and wreck the sound.
I steal your toys and claim your ground.
I steal your toys and claim your ground.
Just cus su nu su ne, cus su nu su ne
If you in the crowd, can ge-e-et it out.
Baby ask around, baby ask around.
'Cus it's my time and I stand now.
In my hands I got it, had it
Be down it's my turn now.
