

Miracle

Yuksek

It's a waste of time no worry can't get old

It's a miracle, miracle, miracle

It's a miracle, miracle, miracle

It's just the way we get old
the way we get old, the way we get old

It's a miracle, miracle, miracle
It's a miracle, miracle, miracle!

It's just the way we get old
the way we get old, the way we get old
