

Bad Intentions

Yuna

It's over
I know you love her
Your new lover
Will be the end of me

I got bad intentions
Pre-occupied with my vengeance
Moving into a different
Direction

I hate you and I love you
Acting I got nothing to lose
Do anything in my power
To forget you

It's over
I know you love her
Your new lover
Will be the end of me
It's a cruel world
There are no words
Could describe the
Death I feel

La-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la-la-la-la-la
I got bad intentions
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la-la-la-la-la
I got bad intentions

Siento que sé que ya no me amas
Cada minuto estallo en llamas
En la noche, ¿a quién llamarás?
Avanzarás en poco tiempo
Pero me quedaré en el momento
Tu sombra vive en mi apartamento

It's over
I know you love her
Your new lover
Will be the end of me
It's a cruel world
There are no words
Could describe the
Death I feel

La-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la-la-la-la-la
I got bad intentions
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la-la-la-la-la
I got bad intentions
