

## Langit

Yuna

I can see the sky  
The birds are flying  
Clouds are moving by  
My heart is light  
The moon will be my witness tonight  
In my dreams I see myself fly  
Terbang  
Terbang tinggi  
Walau tanah di kaki  
Kan ku cari langit  
Terbang  
Terbang tinggi  
Awan biru menanti  
Bersama pelangi  
Always thought that I  
Could be own my own  
But you made me feel alive  
And I don't feel alone  
Terbang  
Terbang tinggi  
Walau tanah di kaki  
Kan ku cari langit  
Terbang  
Terbang tinggi  
Awan biru menanti  
Bersama pelangi  
Terbang  
Terbang tinggi  
Walau tanah di kaki  
Kan ku cari langit  
Terbang  
Terbang tinggi  
Awan biru menanti  
Bersama pelangi  
I can see the sky  
The birds are flying
