

# Baecation

Yung Baby Tate

Oh, yeah

Mm, yeah

I want a first date, out of state, like Wanna  
You know the drinks hit different when they palm a  
Cocoa butter skin glistenin' by the water  
Baecation with me and somebody daughter  
Hate waiting, so don't miss your departure  
It's all up to you  
I can take you farther than he do

Sex in San Tropez, don't tell me, "No"  
We should go today  
Throw your cares away like seasons go  
You need a little change  
I ain't got no panties on me  
Hope you know that you could still get it when you want it  
Know you see this body sitting right in the garment  
Take another flight, something light, don't bother  
Pullin' out your card, girl, you know I got ya  
No limit for the master P  
I'll hit it like a factory  
Over and over 'til we get it right

Know that I don't know you very well (Very well)  
But I'm tryna get to know you somewhere else  
We should take a first date baecation all by ourselves  
You can pick the time and place, then I'll meet you there, ah (I'll meet you there)

Better hit my phone when you land  
Tell your nigga that you got plans  
Do something risky, get out your city, I need you with me  
I got the Friskies, fly out the kitty, wet like a jetski
