

I Do

Yung Baby Tate

I got beauty
I got grace
I got body
I got face
Touch my heart
Say my name
You don't love me
And that's okay

I love me so much that you don't have to
Yeah, yeah, yeah
You can't be enough for me, but that's cool
Yeah, yeah, yeah
I'll be alright if I don't got you
I keep it tighter when you don't push through
I been alive and alone this long
I wouldn't die if you leave me alone

'Cause if you don't love me like you love you
Baby, I don't know what I can tell you
Baby, I gave all I could give to you
I can't keep lyin' when I see the proof
You don't even fuck with me like that
We been done climaxed
You used to call first
Now you don't even call back
But it's alright, at least I know
Now that you off me, I finally can show that

I got beauty (I got beauty)
I got grace (I got grace)
I got body (I got body)
I got face (I got face)
Touch my heart (Touch my heart)
Say my name (Say my name)
You don't love me (You don't love me)
And that's okay

I do (I promise I do)
Yes, I do
Said I do (I do, I do)
I do (I do)

I got me, I don't need
For you to make me feel like I'm
Not worthy of lovin'
I don't need you there like that
I know you never cared like that
But, me, I've always had my back, ooh
You don't owe me nothing
'Cause I already know that I got beauty, yeah

I got beauty
I got grace (I got grace, yeah)
I got body (I got body-ody-ody)
I got face (I got face, yeah)
Touch my heart (Touch my heart, baby)

Say my name (Say my name)
You don't love me (You don't love me, yeah)
And that's okay (And that's okay)

I do (I do, I do)
Yes, I do (I do, yeah)
I do
Yes, I do

(I do)
(I do, yes, I do)
(I do)
(I do)
