

# Play Girl

Yung Baby Tate

I know we just playin' 'round, but don't play with me, no  
Please don't play with me, no, please don't play with me, no  
I know we just playin' 'round, boy, but don't play with me, no  
Please don't play with me, no, please don't play with me, no

I know we just playin' 'round, boy  
So I don't wanna get too serious  
But when you're not around, boy  
I can't help but get a little curious  
Are you playin' games, do you really mean  
Half the things you say to me?  
I don't feel like you playin' fair  
Something tellin' me you trying to cheat  
Please don't play with me, no  
You gamblin' with your life like a casino  
You goin' end up missin' just like Nemo  
'Cause my love is serious like chemo  
Why, why, why? There is no reason to lie, lie  
Baby can you keep it 5 more than 9-5?  
If you goin' to ride, hop in, ride with me  
If you thinkin' 'bout playin' me, don't try it, baby

I know we just playin' 'round, but don't play with me, no  
Please don't play with me, no, please don't play with me, no  
I know we just playin' 'round, boy, but don't play with me, no  
Please don't play with me, no, please don't play with me, no

Baby, you better not play with me (Don't play)  
You know I'm crazy, I keep an AK with me  
I'm a guerrilla, I hang with them killers  
Boy, don't be stupid, don't play with my feelings  
And you better not play with my heart, boy  
I'ma come key up your car, boy  
But I'ma play it smart, boy  
I ain't finna catch a charge for you  
You know it's a couple of things I just won't do (What's that?)  
Cornrows and a jumpsuit, that just ain't cute  
Period but you got me fucked up, you delirious  
So I hope that it feel like you gettin' shot right in the heart  
Every time that you hearin' this  
'Cause I'm a bad bitch and I'm way too fine  
I don't even know why I waste my time  
None of them hoes you with gon' ride  
Bet you didn't know I got a nigga on the side  
Too, bye boo, damn, I really liked you  
But if you tell me another lie, ain't no tellin' what I might do

To you  
You wanna play, do you  
Let's go our separate ways  
I'll do me and you do you  
Oh, 'cause

I know we just playin' 'round, but don't play with me, no (Don't play with me, no)  
Please don't play with me, no (Don't play with me, no)  
Please don't play with me, no (No)

I know we just playin' 'round, boy, but don't play with me, no (Don't play w

Please don't play with me, no (No)
