

Not A Single Question?

Yung Bae

(And there is not one question, no
And my heart will run to you
Oh, baby)

Ooh, ooh, ooh, it's something (You better believe it)
You and I have something
How I long to be around when (When you can see that)
You and I have something

And come on, it's been a revelation, yeah
You've been an inspiration to me
And there is not one question, no
And my heart will run to-

Oooh, yeah, babe, ooh

Oooh, something
Oooh, yeah, something
You and I have something (You better believe it)
Oh oh, come on, oh yeah, it's something
Oooh, I love you and you love me (You better believe it)
That's something
And come one
