Baby, pray for me 'cause I ain't livin' right

Inside of God's hands, I hope he take me back (Ayy)  
I'ma circle back and let them niggas have it (Ayy)  
Ridin' with a chopper, Glock and automatics (Huh)

Ridin' through the city playin' target practice (Huh, yeah)  
And I can't even sleep (Ayy)  
Demons in my dreams, devil after me (Yeah, ayy)  
That's why I hit your phone

You know I don't play when I get in my zone (Huh, yeah)  
So we gon' ride out  
I be shootin' up the club before I slide out (Yeah, huh)  
That's my energy (Ayy)  
Guaranteein' when I'm gone, gon' be a mini-me (Huh)

I wanna meet you at the crossroads (Yeah)  
I hope I see you at the crossroads
