

Fill The Void

Yung Bans

These niggas wouldn't thought of
These niggas wouldn't thought of
Push up with a stick, late night, riding round that's how a nigga bro
ught up
These niggas wouldn't thought of
These niggas wouldn't thought of
When this shit got brought up
When this shit got brought up
I don't care bout karma
I don't care bout [?]
These niggas wouldn't thought of
These niggas wouldn't thought of
Push up with a stick, late night, driving round that's how a nigga br
ought up
These niggas wouldn't thought of
These niggas wouldn't thought of

My mind playing tricks on me, and I know it
I'm so paranoid, got drugs sweating out my pores
I pop pills when I get bored
I'm a addict, yea, yea, I know it
I'm just tryna fill this void, fill the void
I'm on six drugs, can't feel my brain
I'm on X, I'm on lean, I'm on percs, I'm on beans
I was drinking on green and got codeine in the cup, first time nigga
turn to a fiend
I never had a [?], nigga this just me
Been at it all day I ain't scared to OD

Causing havoc, so I know y'all niggas heard bout me, heard bout me
Spin his block, we turn it to a killing spree, killing spree
Baguettes on my neck, they wet, got [?] dripping off my tee
No sex, just neck, don't stretch till a bitch get on yo knees
On my Instagram while she sucking me
I'm numb off the percs, I can't feel a thing
Ay, ready up, before we leave yo whole gang missing
Better duck, spin yo block, gotta gon hear that a flame spitting
Y'all nigga drunk, tryna rob, don't know how easy I lay shit
These bullets tough, we shootin' through cars, them bitches gon sink
shit, yea-uh, yea-uh

My mind playing tricks on me, and I know it
I'm so paranoid, got drugs sweating out my pores
I pop pills when I get bored
I'm a addict, yea, yea, I know it
I'm just tryna fill this void, fill the void
I'm on six drugs, can't feel my brain
I'm on X, I'm on lean, I'm on percs, I'm on beans
I was drinking on green and got codeine in the cup, first time nigga
turn to a fiend
I never had a [?], nigga this just me
