Heart so cold I give 'em chills  
(They can't stop me)

Yeah, take it back to the old days  
I'm catchin' more plays than the coach on Super Bowl day  
Oh, I'm gettin' money like four ways  
Take a nigga ho, have a four-way, I just want foreplay  
I can't even sleep at night, been fightin' demons all my life  
Cross me once, I take your hand, cross me twice, I take your life  
Sittin' in the nosebleeds, niggas can't hold me  
Stand on my own feet, motherfuck the police  
How many tell? How many tell?  
How many niggas tell? Bet a nigga squeal  
Bet a nigga tell, I bet that nigga tell  
I bet that nigga tell, tryna send me straight to hell

Heart so cold it give you chills  
(They can't stop me, they can't stop me, they can't stop me)  
Heart so cold I give 'em chills, yeah  
(They can't stop me, they can't stop me, they can't stop me, they can't stop me)  
Heart so cold I give 'em chills  
(They can't stop me, they can't stop me, they can't stop me, they can't stop me)  
Heart so cold I give 'em chills  
(They can't stop me, they can't stop me, they can't stop me, they can't stop me)  
Heart so cold I give 'em chills  
(They can't stop me)

Yeah, weighed out all my options, nigga know we get it poppin'  
Pushin' up, them bodies droppin', puttin' niggas in a coffin  
I ain't got no time to talk, I'm just tryna get it off  
Better know my word is law, you ain't seen what I saw  
Niggas chicken, no broth, sippin' syrup, no cough  
In the cell, just me, had to hit my knees  
I was born with grief, I'm in love with cheese  
I know I sold that SIG, damn, them racks so big, yeah

Heart so cold it give you chills  
(They can't stop me, they can't stop me, they can't stop me)  
Heart so cold I give 'em chills, yeah  
(They can't stop me, they can't stop me, they can't stop me, they can't stop me)

Heart so cold I give 'em chills, yeah  
(They can't stop me, they can't stop me, they can't stop me, they can't stop  
me)  
Heart so cold I give 'em chills  
(They can't stop me, they can't stop me, they can't stop me, they can't stop  
me)  
Heart so cold I give 'em chills  
(They can't stop me, they can't stop me, they can't stop me, they can't stop  
me)  
They can't stop me, they can't stop me, they can't stop me, they can't stop  
me)
