

Do you love me? (Yeah) let me know, can you trust me? (Yeah) let me know, let me know (yeah) let me know, (yeah) let me know, (young nigga) let me know, streets were hungry, I got a four for four, this ain't no bungee, I'm jumping with no rope, try me, the streets on overload, the sticks on overload, yeah soon as they let me know

Yeah I told that boy God, I trust, it's a hard knock life, for us, (yeah) remember I used to ride, the bus, now I'm hopping in that cat I tell the gas to flush

Yeah I'm swerving a lot of lanes bitch I be high as fuck, you can see it all in my face it ain't no need discuss, yeah these niggas try to clout my move but I bet they never touch me, niggas don't know none bout these bands I ain't even tryna tell y'all nothing

Do you love me? (Yeah) let me know, can you trust me? (Yeah) let me know, let me know (yeah) let me know, (yeah) let me know, (young nigga) let me know

I done saved a lot of souls they treating me just like a hero, running the money up off of the floor started the bottom to zero, feel like I can't trust nobody if I can't see it if I'm not there, sometimes it feel like so far away but I can teach you to face right here, these niggas got some animosity you feel it in the air, just a young nigga I'm handling bitches, call me a wave then it came with a chicken, yeah hope lil nigga she sucking and spitting she say I'm like Willy she having a ticket she know I'm the realest so I ain't gotta spit it

Do you love me? (Yeah) let me know, can you trust me? (Yeah) let me know, let me know (yeah) let me know, (yeah) let me know, (young nigga) let me know, streets were hungry, I got a four for four, this ain't no bungee, I'm jumping with no rope, try me, the streets on overload, the sticks on overload, yeah soon as they let me know
