XL lead the way!

Ay, drippin' I'm so clean, bro
I walk with a mean mug
Pussy ass nigga won't link up
Hoe ass nigga can't see us (ay)
Red I want no green cups
Two tabs bitch I'm geeked up
Hit it once then say Bye Bye
Let shawty know I'm sky high

Let shawty know I'm sky high
Hit her once then say bye bye
Niggas be talkin' that Ra Ra
Niggas be talkin' that Ra Ra
Set set all over (ay)
Fuck the bitch if I wanna (ay)
Come out of that clothing
Told the bitch to come over (ay)
You can cry on my shoulder (ay)
Yeah, I ain't goin' out sad today
Imma bust inside the Wraith
Imma nut on the side of her face (yeah)
Rollie on my main hoe
Solid nigga, can't fold
Nigga we don't date hoes
Hit 'em once and change clothes

Ay, drippin' I'm so clean, bro
I walk with a mean mug
Pussy ass nigga won't link up
Hoe ass nigga can't see us (ay)
Red I want no green cups
Two tabs bitch I'm geeked up
Hit it once then say Bye Bye
Let shawty know I'm sky high
