Yung Bans

Yeah  
Plug  
Hmm, yeah, ayy, Bans  
Hmm, ayy  
Ayy, money so long, hmm, money so long

Ayy, drippin' all this Raf, Ricky  
Too much designer on me, I'm sticky, huh  
Diamonds on my neck, they glisten  
Fake ass ice, your neck ain't hittin', ayy  
Blood in my eyes, I'm seein' red  
Money so long just like a thread  
10F1, Bird Gang, we gettin' bread  
Put the 'fit online, the sauce gon' spread

On a Perc, got me itchin' and scratchin'  
Dressin' the money, they think I do magic (Plug)  
Got a bad lil' bitch, she don't come with no baggage  
Tryna fuck with the kid, turn to a savage  
I'm really 'bout action, these niggas be rappin'  
These niggas be cappin', I ship and I bag it  
I bag it, I ship it, I stack it and flip it  
I'm runnin' through money, I ran through your bitch, yeah  
Havin', not braggin', want it and I'm cashin'  
Street just pulled up in an all-black Aston  
Say you gettin' money, I'm gettin' it now, your shit look past tense  
Break a bitch back from the back of the 'Bach  
And then skrrt like a motherfuckin' ad-lib  
Havin' too much sauce, I don't need no plate  
Xan talkin' shit, when I see him, gon' smack (Bitch)  
Got a hundred different hoes, I ain't never got a jack  
Been fuckin' all day, nigga need to cut back  
Shawty ass so fat, sit down, see a crack  
Just made a hundred thou' sellin' pounds of the dust  
Hit a lick anytime, ridin' round with a mask  
Baguettes on my neck, shit look like glass

Ayy, drippin' all this Raf, Ricky
