

Hey, Rojas, what you got, shorty?
Frodo

Kick in your door, we gon' come through the front
Nigga want smoke, he get ashed like a blunt
Double D titties, my Glock hold a drum
Black and white whip, I pull up like a nun
You savin' hoes need to kick like a hero
Look at my bank account, full of them zeroes
I'm in the bando, I feel like the Migos
Diamonds, they water, I'm chillin' with Nemo
Big body coupe, I pull up and I'm swervin'
Bitch, I be ballin' like Julius Erving
Whip presidential, I'm closin' the curtains
How you a shooter? That nigga look nervous

Vende' bolsita', tú no ere' el plug
Los kilo' se mueven como Willy Fog
Jennifer López, yo sigo en el block
Compro uno y lo vendo a do'
'Toy en restaurantes como una escort, pila de cuero' en el club
Pila de cuero' en el club, pila de cuero' en el club
Hundred shots like Dolph, I hit that hoe like golf
Par de hoe' en L.A, par de hoe' en New York
Toy' en el liquor store, aquí se habla' español
Dos backwoods por favor, dos backwoods, maricón
'Toy con el Roja', tu puta se moja
Sabe qué lo que, tengo VVS
Eh, I came up vendiendo perico
Eh, ya tú sabe', 'tá suave, 'tá rico

Suicide dose, came on a bent
Bands in my pocket, I could pay your rent
Thought he had a Perc, I gave him a mint
Big Glock, I'ma come off the hip

To' mis billete' son de quiniento'
Si estoy en USA, pue' son de cien
La follo de coca, yo no hago change
Yo hago billete', tú friends

Smokin' on gas, now I feel like a hippie
If you want smoke, then I guess I'm a chimney
Sippin' on lean, it's gon' fuck up my kidney
Cookin' that dope just like Bobby and Whitney

Kick in your door, we gon' come through the front
Nigga want smoke, he get ashed like a blunt
Double D titties, my Glock hold a drum
Black and white whip, I pull up like a nun
You savin' hoes need to kick like a hero
Look at my bank account, full of them zeroes
I'm in the bando, I feel like the Migos
Diamonds, they water, I'm chillin' with Nemo
