

Slide Thru

Yung Bleu

I ain't tryna be soft right now, I just want you to know
How a nigga feelin' right now, girl I'm so throwed
Had a couple drinks or two, yeah
That's why I'm thinkin' about you
I got my mind on my money but my mind's on you right now
How would you feel if I slid through right now?
Had a couple drinks or two, yeah
That's why I'm thinkin' about you

Fuck a ride
I'ma fuck you good, I won't tell a lie
I'ma fuck you good 'til you good lie
No friends or no drugs, it's just you and I
And if you ever leave it'd be suicide
You give me your wings, baby we can fly
I see through your soul, how you feel inside
So baby just turn off the light
I want you to slow wine for me
You need to give all your time to me
Put all your pride to the side for me
'Cause I ain't even

I ain't tryna be soft right now, I just want you to know
(I want to let you know how I feel)
How a nigga feelin' right now, girl I'm so throwed
(I think this liquor gettin' to me)
Had a couple drinks or two, yeah
That's why I'm thinkin' about you
(Just tell me if you want another shot, you know what I'm sayin', I been on
this shit all night, ha-ha, yeah baby)
I got my mind on my money but my mind's on you right now
I been thinkin' about you heavy, I'm like
How would you feel if I slid through right now?
(I really should slide through sometimes, you know what I'm sayin'?)
I had a couple drinks or two, yeah
(You ain't gotta be like that with me)
That's why I'm thinkin' about you
(I'm thinkin' about you)

I heard you made love but you never had trust
I heard you got a man, I don't really give a fuck
I heard you get wet when you think about us
Ride this dick like a bus, I ain't come here to fuss
I need your energy (I need it), I need your energy (I need it)
I want to know if you in to me (Vandross)
Ayy-yay-yay-yay, fuckin' on the highway-yay-yay
Fuck you in the driveway-yay-yay
I know you like it my way-yay-yay

I ain't tryna be soft right now, I just want you to know
How a nigga feelin' right now, girl I'm so throwed
Had a couple drinks or two, yeah
That's why I'm thinkin' about you
I got my mind on my money but my mind's on you right now
How would you feel if I slid through right now?
Had a couple drinks or two, yeah
That's why I'm thinkin' about you

Stuck on your ex and it's OK, baby
I'll do you better than your last, baby
Don't you see I'm for real
You might be mad 'cause I might not feel the same way what you do baby
Be mine, be mine
Be mine, be mine
