Yung Gravy

Thotties

I don't mean to flex but my bitch thick like Texas (ooh)
Booty so precious that I hit it ambidextrous (ooh)
I've been fucking flexing, I think it was destined (ooh)
I might fuck around and buy the plug a fucking present (mmm)

(Woah)

Gravy pull up on yo ho
I'm like the Pillsbury dough
I'm always cookin' up cookin' up slow
I don't trust Kehlani
Sandwich with pastrami
Scuba dive in punani
Then I splash, tsunami

Flexing on my exes out the window of the Lexus
My whip diamond crested so it got me feeling reckless
Gravy and biscuits for breakfast
Antarctica on my necklace
I learned the art of finessing
I fucked my teacher, my doctor, my dentist (Holy Shit)

I don't mean to flex but my bitch thick like Texas (ooh)
Booty so precious that I hit it ambidextrous (ooh)
I've been fucking flexing, I think it was destined (ooh)

Hunnids of kicks like a centipede
Lil Storm I been lookin' heavenly
I been had racks since like 17
They want my head like the Kennedys
Might take it back like the 70s
Xannys done fucked up my memory
Black and white a referee
I got the baddest hoe next to me
Fuck her and nut on her titty
I got the key to the city
Get rich or die tryin' like 50
Your girl be sayin' she miss me
Green with the red on that's Gucci
I tell her kick it like Bruce Lee
Tips of them Clips like a movie
But fuck all that beefing we coolin'
