

Forget Me Thots

Yung Gravy

(This should be played at high volume
Preferably in a residential area)

(Gravy Train)

Woke up in the morning round six
Two dark bitches on my side like twix
Little vanilla in the mix
Don't eat ass but I'm still with the shits (ooh)
Playing badminton with your sister or your main boo
Riding in the Fisker or the god damn Daewoo
Side bitch driving cause I'm lit off the Quaaludes
Thanksgiving's Eve, that was just the prelude
Ooh, that's the prelude
Mr. Clean was the debut
Yeah I'm riding in the Daewoo
Wit ya main boo (Gravy Train)

All these hoes forget me thots (forget me thots)
It gets hard to remember (remember)
Your girl is a forget me thot (forget me thot)
Return to fucking sender (ooh baby yeah)

Ooh shit, Gravy in the building
Hanging with yo mama cause y'all a bunch of children
Imma pull up on a MILF
All white Skechers, looking like a DILF

-Hello?
-Gravy this music got me wet (woah)
Pulled up to her crib and I said bet ass bet
Flow so hot you can call me Gravy cajun
Pull up on the scene with thirty six Asians (woah)
