

Goodness Gracious

Yung Gravy

Uh

Goodness gracious
Tito's got me beyond fucked up
It's ostentatious
Woke up beside who I fucked up
We got good wages
Spent too much, I thought I fucked up
We rockin' Asics
This shit go so hard, damn, it's fucked up

Hold up (Hold up)
Back in the whip with my legs on up
But the shit still drive though (Shit's still drive though)
Sippin on a mule, with a nice Czech bitch
But now I got vertigo (I'm tweakin')
My moves make money
Yeah, me and Gravy got a pact like NATO (Worldwide pussy)
Thirty or less, she can get this dick like dominos
Domino, domino, domino
Line 'em all up, knock them down like dominos (Woo)
Pull up with your bitch at 8 AM
Where she been you don't want to know (Gravy)
Got the baddest bae, Guantanamo ('tanamo)
Backpack, backpack, vámanos (Vámanos)
Hair slicked back like Fabio (Brr), fuck my teacher, honor roll

Money where? Money there
Money everywhere
I need that check fair
Questionnaire, I'm a millionaire
I got that wet hair, don't care
Y'all a bunch of squares
I got her underwear, say a prayer
Eat, pray, love, I'll hit it, then I'm out

Goodness gracious
Tito's got me beyond fucked up
It's ostentatious
Woke up beside who I fucked up
We got good wages
Spent too much, I thought I fucked up
We rockin' Asics
This shit go so hard, damn, it's fucked up

This shit go so hard, damn, it's fucked up
This shit go so hard, damn, it's fucked up

Check the weather, make it rain
Oops, it's a hurricane
Yippee yah, yippee yay
Think I'm sweating Gatorade
Crash a plane, then get laid
Now your bitch is M.I.A.
Paint my name up on her cake
"Make a wish", I said "Okay" (Okay)
Don't like white too much (Nah)

My wrist, it looks like Christmas (Christmas)
Got a track lady (Money)
She gon' go the distance (Distance)
Taco Bell pay me (Pay me)
Baja Blast my business (Business)
Jeans, they too skinny (Skinny)
She still feel the stiffness

Money where? Money there
Money everywhere
I need that check fair
Questionnaire, I'm a millionaire
I got that wet hair, don't care
Y'all a bunch of squares
