

## cause + effect

Yung Kayo

Oxys  
Rolling off the Oxys  
Rolling off the Oxys  
Oxys  
Rolling off the Oxys  
Oxys  
Rolling off the Oxys

Rolling off the Oxys

Got Percs in the RV  
Wonder why this shawty so toxic  
She [?] my closet  
Bitch, I'm on the nine, I might toss it  
You already know how I'm rocking  
I get these hundreds and stuff up my pockets, no option  
She clean me up up like laundry  
Give her a ring and the diamonds sit offset  
She know I'm cashing out all my checks  
Hit the bank, make a deposit  
Like [?] I'm tryna [?]  
I remember I had to sit back at Ferragamo  
These niggas get low [?]  
Ain't never moving, say that bitch top me sloppy [?]  
It's a two-door when we hopping out the ride  
[?] my wrist four or five  
Told that girl you can't hold me, it's a list on your side  
I had to sock that boy like I came from Boston  
I swear I love the effects I been causing  
I just wanna know if your neck come with knowledge  
I swear you don't gotta protect what I'm locked on  
Taking these drugs and fake your anxiety

Promethazine and the X  
Promethazine and the X  
We call 'em the cause and effect  
We call 'em the cause and effect

Taking these drugs, no rest, I been wilding  
Promethazine and the X what I'm spilling  
I might go fuck on your friend in the West End  
Asked baby girl if she bang triple seven  
When I came in, no lames in my section  
Baby girl, all your shoes getting domestic  
Pouring real syrup and you pouring molasses  
We smoking on opps, ashing on ashes

Promethazine and the X  
Promethazine and the X  
We call 'em the cause and effect  
We call 'em the cause and effect  
Cause and effect, cause and effect  
Cause and effect, cause and effect
