

(Woo)

If you get this brand I'm sustained to hear (Pfft)
I got Chanel diamonds biting my ear (C's)
I'm a man of God but nothing is fear (Huh)
I was serving purple, not at the county fair (Yeah)
Yeah, you know that's my dawg he gon' bust and you fetch (Grah)
We gon' move yo ass out, I'm the ref with the TEC (Phew)
We never gon' speak, no, we never gon' tell (Nah)
My grip on her box like it came off FedEx (Boom)
Ya' bitch with me and she be ruffin' the pass'
Nigga know not to test me, it's a massacre
I move the opps out the scene, I'm not having it (Pfft)
If the beam gassed up, know I'm jack-rabbiting (Boom)
I don't fuck with no racks I got waiting in the laboratory
Niggas get buzz and think they got a story (Buds)
Give me some buds, she wet just like Finding Dory (Finding Dory)
Two shots in the face (wha-wha), clean the scene like it's contour

The gang with me when I'm outdoor
Keep a hundred-thousand stacked in a big drawer (K)
All these diamonds on me look like the fisher
I don't have time to be friends or a mentor
Ya' bitch is artificial just like a reservoir (Bitch)
If you gon' beef with my block, it's a big war (Bitch)
I got Louis V on my socks, spent ten hundred (Bands)
I took the bitch out one time you can seek home
