

Asked me for a reason, here you are
Planned the date, you never came, I travelled by car
So asked me, asked me, asked me
You asked me for a reason, here you are
Planned the date, you never came, I travelled by car
So asked me, asked me, asked me

Pick that bitch up in a Rolls
She think I'm one hell of a man
Gave that bitch the heater for a day
And she came back with a ten
Gang wit' me everywhere I go
And I keep 'em on high command
Tell a stranger he can't cause no danger or try be my friend
Shoot a FN and we took off his limb
I just been cooking these niggas like Quinn
She say "Amen" and drink semen
Hop out the Hellcat, you know I'm with Demon
Watch out for niggas, I know that they leaching
They boys that talk I just can't lift a peace treaty
My hoodie dirty and you know it's Balenci'
I got the clip for the niggas wan' test me (Grr, bow)
Bitches always wan' talk but don't listen
Round me, know I listen more than I talk
.50 CAL come to your block and it talk
I got me a show bitch, but the money tall
Pull up to the show and ended it with a "Ah"
I'm fuckin' your bitch and she go "Ah"
I'm shootin' that glick and it go "Ah"
My watch it don't tick, and it don't tock
Caught a opp and turn that boy to exotic
Fuckin' your bitch and she say that I'm toxic
I'm sippin' Wock and my bitches off oxy
Sevensenseven, yeah, that's my posse
Hoes in the Audi just like a [?]
She fuck with Yung Kayo, she know that I'm poppin
Down for the count, you know how we rock (Down for the count, bitch)

Asked me for a reason, here you are
Planned the date, you never came, I travelled by car
So asked me, asked me, asked me
You asked me for a reason, here you are
Planned the date, you never came, I travelled by car
So asked me, asked me, asked me
So I wasn't late again, you won't make it very far
You can try my friend instead, she's me but prettier
Add a notch onto your bedpost, ah-ah-ah, ah-ah-ah-ah
