

Into That

Yung Kayo

Hundred the dash while I'm smokin' Paul Walker
I'm kickin' like soccer, I'm into that
I got the chopper, you cannot-not stop
Don't try to stop it, it kick back (Let's go)

Hundred the dash while I'm smokin' Paul Walker
I'm kickin' like soccer, I'm into that
I got the chopper, you cannot-not stop
Don't try to stop it, it kick back
Hundred the dash while I'm smokin' Paul Walker
I'm kickin' like soccer, I'm into that
I got the chopper, you cannot-not stop
You was just watchin', just sit back

My bitch a rider, it's me and my boo
My niggas wildin', grew up in the zoo
Jordan toes on me 'cause I got the flu
Got red in one pocket, the other one blue
Stay with a hat, that bitch think I'm a Jew
Double-C on my 'fit, baby, look at the shoe
Hop on the beat and I'm kicking, kung-fu
I got the juice, baby, look at the true
Hop off a plane, hop off a jet, lil' bitch, I'm up next
She give me brain, she give me neck, that bitch pass my test
Drop a house on my wrist, shining with Patek
You know I'ma be alright, nigga, you went left

Hundred the dash while I'm smokin' Paul Walker
I'm kickin' like soccer, I'm into that
I got the chopper, you cannot-not stop
Don't try to stop it, it kick back
Hundred the dash while I'm smokin' Paul Walker
I'm kickin' like soccer, I'm into that
I got the chopper, you cannot-not stop
You was just watchin', just sit back

Droppin' that bag on that double-G (Can't-can't you see, uh)
I'm on my own, ain't no lovin' me (Love for me, uh)
Four pockets full, I swear they showin' off 3D now
I pull up to a show, I know that they see me now, uh
I'ma flex, bitch, yeah, I flex, bitch, uh
I'ma ball with Harden out in Texas, uh
I go out to eat with Alexis, uh
I don't have no love for my exes

Hundred the dash while I'm smokin' Paul Walker
I'm kickin' like soccer, I'm into that
I got the chopper, you cannot-not stop
Don't try to stop it, it kick back
Hundred the dash while I'm smokin' Paul Walker
I'm kickin' like soccer, I'm into that
I got the chopper, you cannot-not stop
You was just watchin', just sit back

I'ma flex, bitch, yeah, I flex, bitch, uh
I'ma ball with Harden out in Texas, uh
