Pull up with a dime (Skrr), ha
Told my neck to calm down
With the gang, we out now

I can't let my guard down (Guard down)

Rings, rings, rings, rings
Ring around the rosie (Let's go)
Yeah, you talk, don't know me (Shh)
Leave you holy poly (Bap-bap)
None of the whips is stolen (Skrr)
All of my bitches got Rollies
Rollies (Yeah), Rollies (Yeah)
She don't know me

But I got hope, yeah
Hopin' I don't OD (Bitch)

Balenciaga on her butt (Skrr)

She want all the Ricks so now she stalk me
Huh, hawk me, I gun down a army (Bap)
I just put a hundred thousand on my arm piece (Uh)
