Yung Kayo

(Get in there, get in there, get in there)
(Get in there, get in there, let's go)
(Get in there, get in there, get in there, get in there)
(Run up a fifty check, Benjamins high as the Emirates)
(I feed 'em the work, niggas be playin' around with the racks)
(And they see with Vert, and you know my Glock got a [?])
I be totin' the Urus, not coppin' it
Let that bitch up first, don't know what happened
Had to take a free car 'cause they trackin' me
They say I'm so odd like a fairytale
I look in her eye, I don't care about it
I send the opps in my farewell
(I got old Port, Vector and the Goyard)

Step on shit, you niggas subpar
Know my niggas par
(Play with, you gon' be a [?])
You see bags of drugs, I'm rollin', rollin'
(Roll these drugs, we lit everytime)
(She in my room before I got home)
(I got ex bitch, she in my coke)
(All these racks I spend on these hoes)
I swear it wasn't like this before
I got money, don't tap my tele
I got two, gon' blow like the fourth
Used to be happy, but now I got cold
Now I got flows, now I got racks
Now I got bags, oh, that's my ho
Oh, that's my ho
We in the room
I got her splashin', I'm puttin' on, I'm puttin' on, I'm puttin
' on
(Bitch, I'm in traffic, swervin' the Rolls, swervin' the Rolls,
 swervin' the Rolls)

(Run up a fifty check, Benjamins high as the Emirates)
(I give 'em the work, niggas be playin' around with the racks)
(And they see with Vert, and you know my Glock got a [?])
I be totin' the Urus, not coppin' it
Let that bitch up first, don't know what happened
Had to take a free car 'cause they trackin' me
They say I'm so odd like a fairytale
I look in her eye, I don't care about it
I send the opps in my farewell
I got old Port, Vector and the Goyard
