

Baby, where are you?
Yeah, yeah (Where are you?)
Yeah, yeah
Hey

Lil' baby so bad, hit it every day out of the motherfucking month
Lil' baby gon' hop on the cucumber, I got the stem like a runt
Oh watch your hair, watch your tongue
They saw me come off from the bud
Wiped it anyway, just pass me a bud
All of my grillers, they came off the shot

These niggas been praying on bankroll, see
I got the bag, I'ma flip, you see currency
I jus' wan' hear you, baby like [?]
I just want you to come realize the sprit, see
You niggas wanna hear, how you hearing me
I came out the dark like I'm Caroline
You touch one my brothers, I'm uppin' the gutter without the fee

All this shit I hold down, ain't no locking me
All this shit I hold down, ain't no locking me, without the fee
All this shit I hold down, ain't no locking me, without the fee
All this shit I hold down, ain't no locking me, yeah

I used to drink V8, now I just hop and I skrt in that V8
I fucked her, lil' bitch, she wasn't mine so I gave that girl CK
You meet me at the middle, I ain't see yet
Just meet me at the top where I been at
Gave that girl crank down, lil criminal she need that
I got Alyx on me ice with the fizz up
Free my good man, they keeping him booked like a Kindle
Every day I watch my son, know he came with a C4
I got aim in that KIKO, with that stun I know he load
Keep playin' with me I might repo
I hop in that car and I leave off

Go, let's go
Baby where are you?
Baby where are you?
Baby where are you?
Baby where are you?
Baby where are you?
Baby where are you?
Baby where are you?

Lil' baby so bad, hit it every day out of the motherfucking month
Lil' baby gon' hop on the cucumber, I got the stem like a runt
Oh watch your hair, watch your tongue
They saw me come off from the bud
Wiped it anyway, just pass me a bud
All of my grillers, they came off the shot
