

## All the things

Yung Lean

Stardust

Everything, everything you say you are  
Everything, everything, e-everything, everything

I would take it back if I had more time  
I would kill for you, I don't wanna see you die  
Champagne glasses, hotel lounge  
I would take it back if I had you now  
Love swimming backstroke through your bloodline  
We the chosen ones in life this one time  
Moths midnight, moths in the sunshine  
Yeah, you make me smile even though it don't feel right  
Sideways crooked eyes, crooked eyebrows  
New life stream, yeah, baby, let it shine

All the things you said, all the things you said  
Don't wanna see you cryin'  
All-all-  
all the things you said, all the, all the things you said  
See you cryin'

Take me there  
Take me there

I feel your skin changin' 'round me  
Here, come, follow me, pain redacts  
I feel your skin changin' 'round me  
Here, come and follow me, pain redacts

Everything, everything you say you are  
Everything, everything, e-everything, everyth-
