

Crystalized Snow

Yung Lean

Shawty shawty drop it low
Shawty wanna show off
All white snow
All white crystallized snow

Bitch It's Sadboys at the top
Make it rain make it hot
Double cup
Pop and stop
Polo shirt on me like
Underwater you
Bring me down to the underwater
I don't see you anymore
I'm not wearing swim goggles
I got Kool aid, Kool aid
Stacks, I get paid
You don't know me
So don't say my name
My friends are real
I don't fuck with lames
Black pants and a purple ice cream belt
It's hot in the summer
My ice cream melts
We roll

Shawty shawty drop it low
Shawty wanna show off
All white snow
All white crystallized snow
