First Class

Yung Lean

Get up off the plane, it's a first class business
GTB and SBE, you know we got the digits
Get up off the plane, first class business
GTB and SBE, you know we getting hidden

I'm gettin' jiggy with the coca
I'm in the Lambo truck, Thaiboy Goon pour me up
Anaconda around my waist, diamonds all up in my face
Rhinestones all up in my eyes, I let it go away

Get up off the plane, it's a first class business
GTB and SBE, you know we got the digits
Get up off the plane, first class business
GTB and SBE, you know we getting hidden

Get up off the plane, Thaiboy Goon I rock back with it
Me and Lean stacking up the money, no limit
Thaiboy Goon, I ain't got no limit
She love me 'cause I'm really too sick with it

Get up off the plane, it's a first class business
GTB and SBE, you know we got the digits
Get up off the plane, first class business
GTB and SBE, you know we getting hiddin
Get up off the plane, it's a first class business
GTB and SBE, you know we got the digits
Get up off the plane, first class business
GTB and SBE, you know we getting hidden

New body bag with the tags, pop a Adderall
Put the money in the carpet, roll it like a ritual
Who you tryna fool, that's not you, it's not natural
Me and Thaiboy twin towers, no, we international

Get up off the plane, Thaiboy Goon yeah I'm with it
Ten toes down for my team, you know we winning
Get up off my lane, smoke clouds with it
Ten toes down, Margielas for my mistress

Get up off the plane, it's a first class business
GTB and SBE, you know we got the digits
Get up off the plane, first class business
GTB and SBE, you know we getting hidden
Get up off the plane, it's a first class business
GTB and SBE, you know we got the digits
Get up off the plane, first class business
GTB and SBE, you know we getting hidden
Get up off the plane, it's a first class business
GTB and SBE, you know we got the digits
Get up off the plane, first class business
GTB and SBE, you know we getting hidden
