

Iceheart, ice on my neck glisten like quartz
Born '96 like G-Star
I hit you quick, fast like darts
Ayy, shooting star
Prada card on me, no Goyard
Ayy, muddy cars
Fuck what you say, I go hard, ayy
Blowin' on dope in the backyard, ayy
Neon colored stacks in a fast car
Glimmering shadows, yeah, I need dark
Playin' with my life, no guitar (Shootin' star)
And I'm with the crew, we steal hearts (After dark)
I cannot follow, I'm a leader (I'm a leader)

In my afterlife, I know it's time (It's time, it's time, it's time)
Don't hit my line, don't hit my line
Don't hit my line, don't hit my line
Don't hit my line
Don't hit my line, got a beeper
Top of a mountain with a reaper
Tell 'em bring the mask and the cheetah
Top of a cloud in the Bimmer (You look dead inside)
Don't get too close, get a seizure
I cannot follow, I'm a leader
I think I'll see you in my afterlife
(Leandoer, Yung Lean, Yung Lean
Only tonight)
