

# Plastic G-Shock

Yung Lean

Sad Boys be the set, catch me in a jet  
Getting head with a mermaid on deck  
Sad Boys be the set, catch me in a jet  
Getting head with a mermaid on deck  
I got the Casio, she got the G-Shock  
We on the same watch, we on the same watch  
Wheels on my Bentley keep turning  
Wheels of justice keeps turning (turning)

I pull up in a Chevy, chain be super heavy  
Chopper to my head, blow, blow, I think I'm ready  
Come through in the castle bitch, I'm King Koopa sneakin' 'round  
Like an insect small hairless, looper bust off with this sniper  
store  
Storm in like a stormtrooper, check the front, like it's snooper  
r  
Made a lot of mixtapes brain fell forward, like a TV blooper

Sad Boys be the set, catch me in a jet  
Getting head with a mermaid on deck  
Sad Boys be the set, catch me in a jet  
Getting head with a mermaid on deck  
I got the Casio, she got the G-Shock  
We on the same watch, we on the same watch  
Wheels on my Bentley keep turning  
Wheels of justice keeps turning (turning)

And I can't walk back, fuck and we all that, fuck and we all that, uh  
Posted up in the airport, big Jet, with a couple midgets  
Sip lean off the triple head, that bed head slept to deshed  
I make plenty of bread sewed stacks, and plenty of racks  
Caked up, cuz I'm finna mack, I'm in a cab, swerving on this acid  
Looney Tunes tab gooey newsman, Louis Shoes-man  
World's turning and I grew up too fast, posted in the street  
Holler at cha boy, posted red Gucci on my feet  
Holler at cha boy, aquarium three headed fish on the beat  
Holler at cha boy, holler at your boy, swagger on my asshole

Sad Boys, Yung Sherman, Yung Gud  
Shawty Yung Lean Doer  
What you up to tonight?, we posted up in Tokyo
