Take two of these, and you're gone til the morning  
Zoning, zoning, sunlight soaking  
Potent, potent, astroboy rolling  
Other boys trolling, you really need to know man  
Soaking, soaking, potent, potent  
Realized your boy, bitch we rollin', we rollin'  
Roses, roses, blood on the roses  
In the land of dust, I be choking, choking  
Me and the gang coming through like it's frozen  
Popping cortex, I say fuck my opponents  
(Broken, broken, my spirit can't be broken)  
Open, open, like a bouquet, you opened  
She ride me on the beach, like a mermaid with her totem
