

# Things Happen

Yung Lean

Things that you don't know  
Best to keep it so

So fast it came  
So fast it's gone  
So vapid  
Just so happens  
Gone  
I'm thinking  
What's after love?  
What happens when distraction's gone?

I lost myself in you  
Never had no fear that's true  
So many years I blew  
I'm stuck in the wind

I've got nothing to prove  
Prove prove prove prove prove...  
I've got nothing to lose  
Lose lose lose lose lose lose...  
To lose  
I've got nothing to lose  
To lose

Name scratched in stone where flowers grow  
We're at this point where I don't know  
What happens  
What's that impose  
Stop asking  
Stop and let go

Things that you don't know  
(Things happen, victims we're all)  
Best to keep it so

I've got nothing to prove  
Prove prove prove prove prove...  
I've got nothing to lose  
Lose lose lose lose lose lose...

Victims we're all  
Just let go

Just let go  
Just let go  
Just let go

Just let go  
Just let go  
Just let go

Just let go
