

Tokyo Drift

Yung Lean

Chaki Zulu
Lean
Shoutouts Tokyo
Whatever you like, bitch I got it
You need coke, pills, dro, yea I'm on it

Call my boys, bitch hop on it, make 'em poppin'
Lean Doer, I'm exhausted, I be coughin' in that coffin
With my Tokyo boys in that white Rolls Royce
Make 'em mad, I'm in Yen land
Godzilla blunt hands, SBE
Cold nights, ten stacks
Fuckin' up the world, I been doin' that forever, man
(Sadboys)

I'm in Tokyo, Tokyo drift, rollin' off a pill
'Member when I was a kid, I was hungry for this shit
Now I roll up to the club, baseball bat, where they at?
I got gold on my mat, I got hoes on my back
Rollin' green off a flat, spend a million yen, get it back
Yeah we get it back, bitch

Welcome to Japan, pop pussy with Champagne
game
Bitch, I don't fuck with you
We living free, doing it all
Fuck rap game, weed cocaine
Sippin' on codeine, just like Yung Lean
It's ok, showcase

Boys, bitch hop on it, make 'em poppin'
Lean Doer, I'm exhausted, I be coughin' in that coffin
With my Tokyo boys in that white Rolls Royce
Make 'em mad, I'm in Yen land
Godzilla blunt (SBE)
Cold nights, ten stacks
Fuckin' up the world, I been doin' that forever, man

Yentown shit
, Wi-Fi free
Chillin' in the cut, Yung Lean right next to me
Sadboys shit, ()
Smoke weed all day, invincible
let's do it

You look weak, I'm a drain gang hero
I got zeroes and zeroes and zeroes
I feel like summer's close, that's why I'm blowin' smoke
I feel like comin' home, but you know I gotta go
I'm up in Tokyo, runnin' but I'm movin' slow
Crawlin' on the road, Motorola Razr phone
SG, SG, 'til the death of me
Got the knife with me, GTBSBE
Fuck my enemies, silver vampire teeth
I got blood on me, jewelry on ecstasy
