Waterfall

Yung Lean

At the waterfall
At the waterfall
At the waterfall
At the waterfall

You probably think every song is still about you
'Cause everything I do you turn around so it's all about you
And why since we talked I wish we were laying on the floor
Fuck you hard on the bathroom floor like we did before
Lay under the stars and just dream about what we gon' be
And what we already are, so what we'll never see

(At the waterfall) Ride into sunset, let's get undressed
(Waterfall) Let it fall away, far away from here
(Waterfall) Ride into sunset, let's get undressed
(Waterfall) Let it fall away, far away from here

Some of them are cursed, that's nice
When you're lookin' up at the moon, it's been one hell of a nig
ht
Some of them are cursed, and some of them are just beautiful
And some of the beautiful ones are cursed

(At the waterfall) Ride into sunset, let's get undressed
(Waterfall) Let it fall away, far away from here
(Waterfall) Ride into sunset, let's get undressed
(Waterfall) Let it fall away, far away from here
(Waterfall) Ride into sunset, let's get undressed
(Waterfall) Let it fall away, far away from here

Far away from here
