

Weed so strong, might burn your nose
(10Fifty, I love you)
Ho, ho, ho

Hold up, go
Say they want smoke, but them fuck niggas choke
If she not 4DG, then that bitch gotta go
What is that? What you mean, 4DG?
That bitch for the gang, that bitch ain't for me (Woah, woah)
Pull up and valet park the Rolls
Weed so strong, shit burn my nose
Seen mama cry, we was damn near poor
Now we stay at the top of the condos (Woah, woah)

Every day I wake up, I be grindin' for sure
Shawty stay with a chopper, he just came home, he still on parole
Brother just called my phone, he just got out the hole (Woah, woah)
Trap stay open twenty-four, never sold out (Trap)
So many pounds like a growhouse (Yeah)
Blue racks in my stash, don't touch it again, it's growin' mold, oh-woah
And I know some niggas who really got rich off a flip, T-Mobile
Make this bitch give me head 'til I motherfuckin' doze off
Think shit sweet, then you get your shit blowed off
Pull up to the club with my motherfuckin' doors off
Opps claim that it's up with us
Like we ain't ready to go to war
Iceburg Gang met a nigga quota
I get on the road and my bros come
Stick together, we rock like some soldiers
Goin' hard and the money keep comin' and comin'
Had to buy a money counter, got cracks in my thumb (Shit)
They know how I'm comin'
Might play crazy, I know you're not dumb (Fool)
They just be poppin' they gums
Been poppin' my shit so hard, I might just gotta pop my gun (Fuck it)
(Huh, get on the money, woah, woah)
I keep a whole round of gunners
Why the hell y'all niggas be actin' so tough? Tuh
Oh, man, woah, woah (Shit crazy)
Oh, man, woah, woah (Have 'em play crazy)
Oh, man (Hit they block like the Navy, Iceburg, bitch)
