So many bands on me, make me walk with a lump  
Huh, oops, damn, I meant limp  
Got my hoes in control, just like a pimp  
Splash, drip, drip, drip  
Bitch, don't slip  
I hope they don't play, let it rip  
Big old stick, make your ass do a flip  
We havin' this shit, don't trip  
Never wait in no line, we skip
