Posing for pictures with the strippers and the pie flippers  
I'd rather lie to you, baby, than to lie with you  
I seen you with it, shit, I ain't finna ride with you  
Pitching underhand, I'm a knuckleball pitcher  
You're off base, I call you out, I'm the hind catcher  
You ran off, guess you thought it'd be a cake walk  
Stealing base, got caught, let the K talk  
Got me diggin' in my safe at the safehouse  
Like I won't pay a hundred K to blow your face off (Wop)

The young nigga stay fresh  
I could show 'em how to flex  
Another nigga with a check  
And I could teach him how to dress  
The young nigga stay fresh  
And I could show 'em how to flex  
Another nigga with a check

I got motherfuckin' racks (Cash, hmm)  
Another young nigga with a fuckin' check, yeah

Project baby, when I was born, nigga, my system already had crack  
Sell you a verse, still beat that pack  
I used to pray for the drip, now I pull up, hop out fresh  
Them 1'5 niggas, they blessed  
Hop off a jet, go straight to a check  
Make that Hellcat make a mess  
Bitch, I'm rich, I'm not pressed  
Nigga tried, like my money, he got stretched  
Bitch, I come from nothing, yes

Ask 'bout my life, bet they tell you...
