Hectic

Yung Mal

(DMC, you global now, nigga)
Yeah, 2x, we global, nigga
Real Taker with me, nigga
Come on

Shit gettin' really hectic
Feds on my trail, had to change my setting
Where I come from, it's hard I barely got in (Hard)
When nobody home, that's when we go in (Go in)
My dog, he right or he wrong, I ride 'til the end
Bankroll full of hundreds, them twenties blend in (Racks)
I talk to God every day 'cause I know I been sinnin' (Been sinnin')
I beat the odds, I play my cards, now I'm winnin'
Niggas gon' talk, but I handle my business
So many miles I walk, now I ride in a Bentley
Shoot at your throat like I'm Dirk Nowitzki
Slept on the floor, now I'm penthouse livin' (Yeah)
Ho get on the dick and she poppin' a wheelie (Ride)
Them bands comin' in every day, ol' silly-ass nigga
Heard he a rat, then I can't deal with him

I'm a fuck nigga killer, I stick to that skrilla
Run through the 6 and I'm big like Godzilla
Every time I look up, niggas talkin' to pillow
I ran them bands up, nigga, I ain't worried 'bout no nigga
Hands down, nigga, I'm a stand-up nigga
Your mans down, you know we sent him a missile
Count up that cash 'til my hands get blisters
Say he want smoke 'cause I'm fuckin' his sister
Fuck her, then cut her so quick, scissor
Nigga went broke, now he sick, bitter
12 on my motherfuckin' dick, they trippin'
I might just double my cup, niggas still be sippin'
Get off your ass, get it
Bags touch down, get 'em gone in a minute
You know I got Benjis, stick got fifty
Ain't shit changed, got Real Taker with me

Shit gettin' really hectic
Feds on my trail, had to change my setting
Where I come from, it's hard I barely got in (Hard)
When nobody home, that's when we go in (Go in)
My dog, he right or he wrong, I ride 'til the end

Don't do no chillin', young niggas handle that business

Shoot out the ceiling
Heard he sneak dissin', now he missin'
He caught a case, now he snitchin'
Thought he was solid, niggas be foldin' like wallets
I know the opps be watchin'
My young niggas, they be sliding (Slide)
Pick him off for a short deposit
Cross him out, niggas know how I'm rockin'
Niggas hatin' 'cause they know that we poppin'
Lil' nigga with a big ol' gun
Say you thuggin', boy, I do that for fun
Eat your face like some motherfuckin' steak
Know this nigga, I can see that you shake (Pussy)
I be ducked off, they don't know where I stay (I be ducked off)
